

MEADOWS ELEMENTARY SCHOOL

25577 Fedala Road, Valencia, CA 91355 (661) 291-4050

Dr. Juliet Fine
Principal

Mrs. Merly Soni
Assistant Principal

Dear Parents,

We are glad to be able to welcome your child onto campus for an assessment. It will be nice to see you both in person. In accordance with the County of Los Angeles Department of Public Health Guidelines, we wanted to make you aware of health and safety procedures we will follow during this in-person time on campus.

Upon arrival, please use the buzzer to reach the front office. A screening will take place by a member of our staff who will ask you the following questions about both you and your child. The questions are below for your reference. You will also need to bring a driver's license or ID to enter our campus.

- Your child's name, and person they have an assessment appointment with.
- Have you recently (within the last 14 days) been diagnosed with Covid?
- In the last 24 hours, have you had any of the following symptoms?
 - Shortness of breath or difficulty breathing
 - Chills
 - Fever of 100.4f or higher
 - Unexplained cough
- In the last 24 hours, have you been in close contact with anyone who has exhibited any of the following symptoms?
 - Shortness of breath or difficulty breathing
 - Chills
 - Fever of 100.4f or higher
 - Unexplained cough

If you can answer yes to any of the following questions, please call Principal, Juliet Fine in the school office prior to leaving home. If any of the symptoms or a diagnosis occurs within 14 days of your child's assessment, please contact Principal Juliet Fine with that information.

While on campus, all visitors who are two years of age or older must wear a face covering over their mouth and nose. If a face covering impedes the assessment, the assessor will ask the student to remove the face covering at the appropriate time.

Only students and the assessor will be permitted in the assessment room. While testing takes place, parents are welcome to wait in the outdoor lunch area next to the kindergarten yard, remaining 6 feet apart from any other parent who may be waiting there as well. Parents may also choose to return home, but must be available by phone, and be no more than 5 minutes away. Please keep in mind that we may finish early. The office will call you when it is time to return to campus.

Once permitted on campus, your child will be escorted to the assessment room. We will be using regular classrooms and the Multiple Purpose Room as assessment spaces. Only one assessor and one student will be in the assessment space at one time. Once assessment is complete, your child will be brought to the outdoor lunch area to meet you.

All assessment areas and restrooms will be sanitized and disinfected after each assessment session. Hand sanitizer is available at the entrance to campus. While we do have a restroom we encourage all visitors to use the restroom prior to coming to campus. This will maximize assessment time, and minimize travel around campus.

Thank you for partnering with us to keep your child and our staff healthy and safe. We look forward to seeing you soon. Please contact Juliet Fine in the school office with any questions.
