F. STAFF REPORTS

1. **Staff Reports - Business Services**
 - i. **Consideration of Awarding a Contract for Project 0002-23C.1 Structured Cabling & Network Electronics**

Director of Technology Ken McGaffee shared the E-Rate project scope includes replacement of network switches and replacement of wireless access points to refresh the District's networking equipment. These network switches provide the connection points for the district's wired network, including powering POE (Power over Ethernet) devices such as WIFI access points (wireless network connection points), bell system devices and future VOIP (Voice Over Internet Protocol) phones. The scope also includes wiring for new network drops to help lay the foundation for a future Voice Over Internet Protocol (VOIP) phone system.
