##### i. Discussion on Polling Results for Possible Bond Measure

Dr. Tim McLarney, President of True North Research shared an overview of a bond feasibility study completed over the last few weeks. Results show that while a bond may be feasible for the 2024 ballot, adjustments and effective outreach will be required for the bond to be viable.

After much discussion, the Board's consensus was not to pursue a bond for the 2024 election cycle. The Board will revisit pursuing a bond for the 2026 election cycle, allowing the District to prepare a blueprint of its needs, engage the community, and prepare a timeline for 2026.
