

Hello Parents and Students,

Our Second Grade Team has put together some work for you to do over the next 13 school days (these days do not include spring break) to keep your brain muscles toned and active.

Here is a list of assignments for you to do on a daily basis. Your child can turn in the work April 13th to receive school credit. The assignments are in PDF form which can be printed from home. If you do not have a printer at home, you may pick up a packet from the front office.

In addition to the packet, students are required to complete 13 lesson on Dreambox, and 13 stories on RAZ kids by April 13th. Remember, the school provides links to these websites.

<https://www.kidsa-z.com/main/Login>

<https://play.dreambox.com/login/z292/h6q7>

Included in this packet is a reading log, your child has not been exposed to yet. The instructions are listed on top of the page. This is to be done Monday through Thursday for 2 weeks.

If your child has forgotten passwords for Dreambox and Raz-Kids, please email your teacher for this information.
