Attendance

Attendance plays a crucial role in student achievement. We will be partnering with the district to increase attendance and lower our current chronic absenteeism rate. A student will be considered present if they log onto their Google classroom and/or if they complete assignments. Let's come together as Rock Stars and prove we continue to have one of the highest attendance rates in the district.

Fridays

Please keep in mind that the required instructional minutes are the same Monday through Friday. It is important that students complete their school assignments on Fridays in order for teachers to drive their instructional practice.

We are the Meadows family, and together, we will change lives!
