

# Logging in to CLEVER

a single login for all online programs and resources

Log into your computer using your Google Email address.

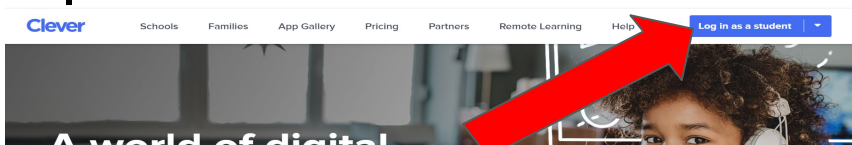

Ensure you are using Chrome as your browser.

Use the following link to install if needed:

<https://www.google.com/chrome/>

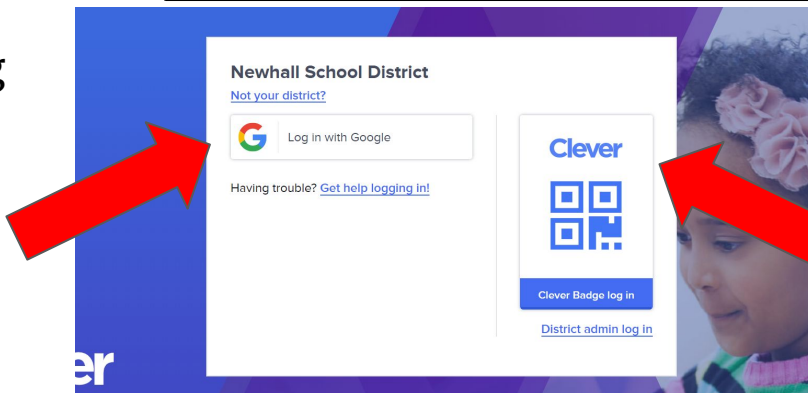

Go to [www.clever.com](http://www.clever.com) and log in as a student

## Select your school

Log in Options 1 and 2:

1. Select “Log in with Google” and select your student’s account.

2. After logging in at least once with option 1, students can print and use the badge option for logging in as well.

# What will my student have access to in Clever?

The screenshot shows the Clever dashboard interface. At the top, there is a blue header bar with the Clever logo on the left, a search bar in the center, and a 'Portal' icon on the right. Below the header, the dashboard is divided into sections. On the left, there are links for 'Teacher Pages' and 'More apps'. The main area is titled 'Teacher Pages' and features a large owl icon. Below this, there is a 'Teacher Name' field. Further down, there is a 'More apps' section displaying a grid of application icons: Benchmark Education, Davis Digital, DreamBox, Neptune Navigate, Studies Weekly, and Twig Science.

By clicking any apps on the Clever page, students will be automatically logged in!

Students can print and use the badge option for logging in as well.

This image shows a close-up of the user profile area in the Clever interface. It features a blue header bar with a search bar, a 'Portal' icon, and a notification bell. To the right of the header is the 'Student Name' field. A dropdown menu is open below the name, showing two options: 'Download Badge' and 'Log out'. A red arrow points from the 'Download Badge' option towards the text box on the left.
