School Description

Stevenson Ranch Elementary School is located in Stevenson Ranch, California, a suburban area thirty miles north of Los Angeles. Built in 1995 and designed to accommodate 930 students, the school currently houses 721 students in transitional kindergarten through sixth grade, in 27 classrooms. Stevenson Ranch has an average class size of 24 in all Transitional Kindergarten – 3 rd grade classrooms, an average class size of 30 in 4 th – 6 th grade, and serves a population that is 39% White, 19% Hispanic, 24% Asian, 3% African American, 3% Filipino, 2% “other”, and 10% of multiple ethnicities. The staff, combined with the efforts of the parents and countless volunteers, create a culture that is warm, caring, and focused on excellence.

Principal

Assistant Principal-Part Time

Office Manager

Attendance Clerk

Community Outreach and Support

Health Assistant

Support Technician of Technology

6 Safety Supervisors

Day Custodian

2 Night Custodians

27 Teachers

2 - .47 Teachers

1 Psychologist- Part Time

1 Resource Specialist

1 Speech Pathologist

1 Adaptive Physical Education Teacher – Part time

1 Occupational Therapist – Part Time

1 Behavior Support Specialists

1 Counselor – Part time

1 Library/Media Technician

1 Support Specialist – Science

Stevenson Ranch has specialized programs for its students such as intervention, Gifted and Talented Education (GATE), school wide technology, counseling, student council, in-school enrichment and awards for attendance. Stevenson Ranch is a school where a community comes together to achieve the very best for children. It is in this caring environment that a rich, standards-based curriculum is taught daily and children, parents, and teachers learn together.

The community supports the traditional values of honesty, responsibility, patriotism, and pride in work. Stevenson Ranch strives to instill these same values and works closely with the local community in pursuing high expectations, academic excellence, and strong community involvement. We are proud to be named a 1998, 2004, 2008, 2012, and 2018 California Distinguished School, and 2001, 2012, and 2019 National Blue Ribbon School. Our award-winning school has consistently maintained high academic performance scores. As the California School Dashboard ratings indicate, with the implementation of Common Core standards, high student achievement continues to be earned in the areas of Language Arts and Mathematics.

Our school's orderly, child-centered environment is conducive to learning and is a welcoming learning space for all. The spirit on campus is inclusive and students are eager to share their school life with those important to them. For example, VIP Day brings in over 600 guests to our classrooms to partake in the daily experience of children who attend Stevenson Ranch. Families of children volunteer in our classrooms daily, serve on our Parent Teacher Organization, our English Learner Advisory Board, and our Site Council committees. Volunteers who do not have children attending the school have served in the library, assisted in classrooms, and donated goods and services throughout the years, to support our children's education.

Stevenson Ranch Elementary operates utilizing Professional Learning Community (PLC) structures. In grade level and cross-grade level meetings, our staff continuously analyzes student performance data. The results of those analysis inform teaching strategies and support programs to close gaps or extend concepts for individual students. Trends dictate the focus of professional development. Our Site Council and parent leaders examine California standards, student work, rubrics, assessment data, and professional development in relationship to instructional improvement. This process allows us to clearly articulate the critical roles staff, students, and community play in a genuine learning environment. Based on this practice, we consistently engage in collective inquiry through data-driven analysis of outcomes. We measure excellence by results and hold ourselves collectively accountable for student achievement.

Our school motto First in Excellence, First in Pride is shared by students, staff, and the local community. It plays a fundamental role in the instructional program. Parents, community members, and staff work closely together to exemplify for our children that school is an important place and a learning community for all. It is in this caring environment that a rich, thinking curriculum unfolds each day, and children, parents, and staff learn together.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2019-20 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	105
Grade 1	98
Grade 2	99
Grade 3	120
Grade 4	118
Grade 5	116
Grade 6	120
Total Enrollment	776

2019-20 Student Enrollment by Group

Group	Percent of Total Enrollment
Black or African American	2.1
American Indian or Alaska Native	0.4
Asian	25.1
Filipino	3.4
Hispanic or Latino	20.6
White	37.4
Two or More Races	10.3
Socioeconomically Disadvantaged	10.8
English Learners	7.1
Students with Disabilities	11.5
Foster Youth	0.3
Homeless	0.5

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials for Stevenson Ranch	18-19	19-20	20-21
With Full Credential	32	33	21
Without Full Credential	1	1	0
Teaching Outside Subject Area of Competence	0	0	0

Teacher Credentials for Newhall School District	18-19	19-20	20-21
With Full Credential	♦	♦	257
Without Full Credential	♦	♦	1
Teaching Outside Subject Area of Competence	♦	♦	0

Teacher Misassignments and Vacant Teacher Positions at Stevenson Ranch Elementary

Indicator	18-19	19-20	20-21
Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	2

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Textbooks and Instructional Materials

Year and month in which data were collected: December 2020

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	Benchmark Advance, 2017, Benchmark Education Company The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	Bridges, Math Learning Center (K-5), adopted May 2016 College Preparatory Math (6), adopted May 2016 *During the Covid-19 pandemic, digital learning curriculum was purchased for use in the 20-21 school year: Carnegie Math (gr 6) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Science	Harcourt Science (K-2, and 6) and Prentice Hall Science Explorer (6), adopted Spring 2008 STEMscopes (TK-6), approved spring 2016 *During the Covid-19 pandemic, digital learning curriculum was purchased for use in the 20-21 school year: Twig Science (TK-5) Smart NGSS (gr 6) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
History-Social Science	Harcourt Brace Social Studies (K-6), adopted Spring 2007 *During the Covid-19 pandemic, at-home materials were purchased for use in the 20-21 school year: Studies Weekly (K-6) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Newhall School District is very concerned about the safety of our students, staff, parents, and community members. The following outlines the various steps the Newhall School District takes to ensure we have clean, safe, and well maintained schools.

Cleanliness

The Newhall School District provides custodial staffing so that every classroom at every school can be cleaned daily. We also clean all Preschools and Kindergarten bathrooms and offices on a daily basis. Our Director of Facilities, Maintenance, and Operations (FMO) routinely inspects our schools to ensure they are kept in a clean, safe and orderly condition. Our custodial staff has been directed to notify the school Principal or Office Manager of any safety hazard or maintenance issue that requires immediate attention. The Office Manager will submit a work order via our net-based work order program where the Director FMO reviews and distributes work orders to maintenance staff. Safety related work orders are labeled number one priority!

Weekly School Visits / Inspections

The Director FMO visits and inspects two schools every week

Security

We ask that all parents and visitors check in with the main office at each school. The district also utilizes a Visitor Management System (LobbyGuard) to screen visitors. To assist staff in communicating on site, two-way radios are used by administrative staff, office staff, and safety supervisors. Each school provides playground supervision to ensure our students are properly supervised during recess and identify any safety or security concerns to the school administrative team.

Age of Schools

The Newhall School District includes 10 schools. Our newest school was constructed in 2005-2006. Eight schools are either less than 13 years old or have been “modernized” with local and State bond funds. “Modernization” may include utility infrastructure replacement, new carpeting, new lights, new windows and doors, new locks, new interior and/or exterior wall paneling, fire alarms, communications systems, internet infrastructure to all classrooms, storage, roof replacement, interior/exterior painting, library renovation, and bathroom renovation.

The district successfully passed Measure E, a \$60 million school construction and modernization bond, in 2011. Projects include the replacement of aging portable classrooms with permanent buildings, the renovation of Newhall Elementary School auditorium, upgrades to the district infrastructure including technology, energy management, communications and utility controls. A significant investment in classroom technology has been completed.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: 12/11/2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	91	N/A	69	N/A	50	N/A
Math	90	N/A	69	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

Grades Five, Eight, and High School

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
Science	79	N/A	54	N/A	30	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

2019-20 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

**CAASPP Test Results in Science by Student Group
Grades Three through Eight and Grade Eleven (School Year 2019-2020)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Every school in the Newhall School District welcomes parent involvement. Stevenson Ranch Elementary has an active Parent Teacher Organization that provides opportunities to work on special events, classroom support, and volunteer opportunities within different departments of the campus. A school site council comprised of equal numbers of parents and school staff offers parents opportunities to participate in site-based decisions. In addition to parents conferences and regular volunteer opportunities, classroom teachers invite parents into the classroom to participate in learning activities at least three times per school year.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Every school in the Newhall School District has a comprehensive safety plan that is reviewed and updated annually. For further information please contact Sheri Staszewski, Assistant Superintendent of Business Services, at (661) 291-4166.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.1	0.4	1.1	0.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.3	0.4	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	NA

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2019-2020)

Title	Number of Full-Time Equivalent (FTE)
Counselor (Social/Behavioral or Career Development)	1.0
Library Media Teacher (Librarian)	NA
Library Media Services Staff (Paraprofessional)	.63
Psychologist	0.2
Social Worker	NA
Nurse	.25
Speech/Language/Hearing Specialist	NA
Resource Specialist (non-teaching)	1
Other	.56

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2017-18 Average Class Size	2017-18 # of Classes* Size 1-20	2017-18 # of Classes* Size 21-32	2017-18 # of Classes* Size 33+	2018-19 Average Class Size	2018-19 # of Classes* Size 1-20	2018-19 # of Classes* Size 21-32	2018-19 # of Classes* Size 33+	2019-20 Average Class Size	2019-20 # of Classes* Size 1-20	2019-20 # of Classes* Size 21-32	2019-20 # of Classes* Size 33+
	K	23		5		21	1	5	3	30		
1	25		4		24		4		29		3	1
2	22	1	3		23		5		24	4		
3	22	1	4		24		4		23		5	
4	30		3		31		3		31		3	
5	31		4		26	1	4		31		3	
6	27	1	4		26	1	4		29		4	
Other**	11	2			11	1			15	4	1	

*Number of classes indicates how many classes fall into each size category (a range of total students per class).

** "Other" category is for multi-grade level classes.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	122.75	71.5	40

The Newhall School District continuously seeks to offer its staff growth opportunities through training, coaching, and conferences. District staff includes:

- All classroom teachers
- Non-classroom teachers
- Paraprofessionals (instructional aides, teacher assistants, etc.)
- Non-instructional support staff (clerical, custodial, technology, etc.)

Whether a teacher, administrator, academic or office support contributor, we strive to give our professionals occasions to progress. The Number of school days dedicated to staff development and continuous improvement noted above reflects the number of training events offered by the District to staff throughout the school year. Training days may be only a couple hours, half-day, or full day. During these growth moments, qualified substitute teachers are in the classroom to ensure students' courses run smoothly and progress as planned. In all, we work to minimize the time classroom teachers are away from their sites.

Teacher Professional Development

The Newhall School District provides professional development to staff in an effort to enable all students to become proficient or advanced in the Common Core California academic content standards as measured by the CAASPP test. Ongoing efforts in staff development focus on English Language Arts, English Language Development, Mathematics, Science, Guided Language Acquisition Design, Depth and Complexity Icons, Thinking Maps, and the NSD Coherent Writing Program. In addition to these offerings, teachers have the opportunity to attend workshops in technology use and arts integration.

Professional development is designed to support the instructional shifts in English Language Arts and Mathematics under the California State Standards. The role of the classroom teacher shifts from an instructor to a facilitator of learning in this model. In this professional development, teachers are shown how to expect students to work collaboratively together to problem solve and communicate their learning based upon cited evidence and a deeper understanding of ideas. This instructional model demonstrates that student-to-student discourse is frequent and on-going throughout the arc of the lesson. Teachers engage in activities that illustrate how students must be given opportunities to explore and demonstrate their learning with manipulatives and other technology tools. Teachers engage in multiple professional development opportunities throughout the year and engage with Instructional Coaches to reinforce this work.

During the 20-21 school year, the district was operating under health guidelines due to the Covid-19 pandemic and professional development and the professional development focus was shifted in order to meet immediate needs. Teachers and staff were provided technology training in order to support a digital instructional model and use of various applications and digital curriculum. All professional development was conducted virtually and subsequently supported by weekly coaching office hours, an E-Learning site, and team and individual coaching meetings. No training was conducted during instructional time. In addition, a self-paced learning module was created as an additional way to support teacher needs, specifically in the area of science.

Newhall School District's Coherent Writing Program (CWP) is another example of high quality and ongoing professional development provided to all teachers within the Newhall School District. Implementing the CWP entails comprehensive professional development; teachers receive an initial presentation (by teacher-leaders from the CWP's Writing Professional Development Committee) on a given genre, teach the genre to students, return for a follow-up session to score and analyze student work, and finally, administer a formative (benchmark) assessment, using the results to effect improved performance. All new teachers or teachers new to a grade level receive this training on three genres. After a full year of professional development, teachers attend "tune-up" sessions in subsequent years to learn/share new strategies through examination of their students' work. Overall, the intent is to increase teachers' sophistication in their pedagogy, year-to-year.

Thinking Maps, Tools for Learning is an additional high quality professional development opportunity for teachers within the Newhall School District. It is a powerful and distinctive thirty-hour hands-on course that provides teachers with a series of dynamic learning experiences in the 8 fundamental thinking processes. The course provides an intense study of visual-verbal learning maps, each based on a set of tools showing relationships. This course is carefully crafted, giving teachers the tools that enable them to promote continuous cognitive development. Thinking Maps can be used consistently across disciplines and grade levels to advance integrated thinking and interdisciplinary learning.

Depth and Complexity Icon Training is also offered through the district. This training gives teachers additional differentiation strategies to use. The strategies help students use high-level thinking skills to analyze text and write responses.

The Induction Program provides an effective transition into the teaching career for first- and second-year teachers. Each new teacher is paired with a support provider who provides intensive individualized support and assistance. An induction plan is in place for each participating beginning teacher and is based on an ongoing assessment of the development of the beginning teacher. This program ensures continuous improvement through ongoing research, development, and evaluation for the first two years of teacher service. Additionally, Newhall School District provides coaching opportunities before and during the school year to teachers new to the district (either beginning teachers or teachers coming from other districts). Administrators monitor and meet with new teachers over the course of the year, both individually and as a group, to provide an opportunity to ask questions, discuss needs, and clarify school goals and priorities.

FY 2018-19 Teacher and Administrative Salaries

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$50,078	\$51,004
Mid-Range Teacher Salary	\$72,503	\$82,919
Highest Teacher Salary	\$94,756	\$104,604
Average Principal Salary (ES)	\$128,875	\$131,277
Average Principal Salary (MS)		\$136,163
Average Principal Salary (HS)		\$128,660
Superintendent Salary	\$200,000	\$230,860

Percent of District Budget	District Amount	State Average for Districts In Same Category

Types of Services Funded

Stevenson Ranch School operates within the guidelines of two California budget categories. Base Grant and Supplemental Grant. These funds are expended in support of the goals established by the NSD Local Control Accountability Plan.

Specific activities funded at Stevenson Ranch include:

- Extension class for Gifted students
- School day pre-teach, re-teach, and intervention support provided by credentialed teachers
- Curriculum Specialists who work during the school day to support learning
- Translation support for second language parents
- Curriculum and instructional support for second language learners
- School day, school wide enrichment program taught by a credentialed teacher

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
