

KINDERGARTEN

Ellen Hawthorne
Room 2 Extension 102

My mission, as a primary teacher, is to inspire and encourage students to love learning.

Navaz Hurd
Room 5 Extension 105

My mission, in life, is to help all those who come across my path, to feel a sense of self-worth, that they matter.

Dana Zimdars
Room 29 Extension 129

As a kindergarten teacher, my mission is to lay the foundation for students to become life-long learners. By creating a fun and nurturing environment, students will be able to build self-confidence, be willing to take risks, and feel excited about learning.
