MEETING MINUTES

- **Call To Order:** 3:30pm
- **Quorum established:**
 - Parent Members: Ms. Hindes, Ms. La Manna, Mr. Paik, Ms. Povletich (Absent: Mr. Fogelbach)
 - Teacher Members: Ms. Csiszar, Dr. Garcia, Mr. Saaty
 - Classified Staff Member: Ms. McGarry
 - Administrator Member: Mr. Rose
- **Call For Additions/Deletions to Agenda:** None
- **Public Comments:** None

Business:

- Academic Support: additional support added along with what teachers are already doing. Supports include: Part-time teachers (Mrs. Garate and Mrs. Sadowski) who meet with small groups online, Our science specialist who meets with students online for extra practice, and a substitute teacher who helps with reading comprehension online on Fridays (currently with 3rd graders, and with plans to expand to 4th and 5th in February).
- Attendance Monitoring: Attendance is not a glaring issue at SRE. Thought is to share some of the information with parents, but still working on how. Mr. Rose shared District presentation:

HERO = **H**ere **E**very day **R**eady **O**n time to learn

Chronically absent = student misses > 10% of instructional days. SRE has 378 kids with perfect attendance. There are 10 students who are chronically absent (i.e., >8 days absent so far). SRE numbers do not include DLA students because they are counted with Pico Canyon this year. SRE recognizes students for attendance with monthly attendance award (sent home in materials pick up bags). In prior years, the school had a traveling trophy that was hosted by the class with highest attendance. This is recognized virtually now.

Attendance Challenges: school counselor available to help come up with solutions. Open to new ideas. Some ideas shared: parent buddy/support, educating of impact absenteeism can have to school, community when students are absent.

NSD Attendance Protocol: Tier 1: School Engagement Team, Tier 2: School Attendance Response Team (SART) Conference Request, Tier 3: District SART Conference Summons

- ParentSquare: feedback positive.
- LCAP meeting: to be held January 27th and includes Oaks Hills, Pico Canyon and SRE.

- Yearbook: Mr. Rose shared information from PTO meeting regarding yearbooks. Intent is to include all SRE hybrid kids in the yearbook (i.e., if class has both SRE and Pico students in the class, all will be included). There have been many issues with the yearbook vendor Lifetouch so PTO will be asking parents for photos for the yearbook. Room representatives are working on having fun pages for each class.
- **Reports:**
 - School Site Council Chairpersons Meeting: no report. The next meeting is scheduled for January 28th.
 - NSD School Safety Committee: been meeting and talking about Covid response plans. The committee is working on the Cal OSHA plan.
 - Superintendent's Chat: no report.
