2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Oak Hills is where we empower all students to be lifelong learners that take risks, persevere, collaborate, and engage within our diverse community.

Oak Hills Vision Statement:

We are a reflective open-minded collaborative community that trusts and supports each other consistently to ensure all students learn.

ILT Purpose Statement:

The purpose of our Instructional Leadership team at Oak Hills is: to foster a school culture that supports one another and embraces the mindset that all students can learn at high levels. Our staff will work collaboratively to analyze data, address opportunity gaps, and share best practices to ensure all students have equitable access to high quality learning experiences.

“Excellence in Heart and Mind”

Oak Hills Elementary School opened to students on September 20, 2005 and is in its nineteenth year of operation. The school is located in the Westridge neighborhood of the Santa Clarita Valley and is one of ten schools in the Newhall School District.

We are a reflective open-minded collaborative community that trusts and supports each other consistently to ensure all students' learning. The Oak Hills family believes in the achievement of all students and our staff works together to ensure that our school's academic success continues to grow. Our students' accomplishments are not only reflective of hard work, but of all teachers and specialists that adhere to the strong academics that we offer. School-wide Professional Learning Community (PLC) teams are committed to working collaboratively in ongoing processes of collective inquiry and action research to achieve better results for the students they serve. Over the last four years, Oak Hills academic data results have been analyzed and non-academic metrics have been monitored to identify trends in student performance. Oak Hills was the proud recipient of the 2023 California Distinguished School award for being an exemplary, high performing school. There is much to be proud of as Oak Hills Elementary School and the entire Newhall School District continues to make progress in many areas.

2023-24 School Description and Mission Statement

We are in our fifth year of Oak Hills implementing PBIS on campus, following this research-based methods of clearly teaching expected behaviors, rewarding positive student choices, and intervening with students who need additional support to be successful. Our site follows four core behavior expectations – Have Respect , Own Your Actions Safely. Work Together, and Listen Attentively (HOWL). These behavior expectations are taught explicitly to students in all grades and are revisited throughout the year. In order to provide consistency in this program, the team created a handbook for staff that outlines the pillars of the program, and provides lessons that are used school-wide to teach behavior expectations. We also hold monthly incentive activities for students to earn using tickets they have earned for positive behavior. We have a Coyote Corner store which allows student to purchase incentives with their HOWL tickets that are earned.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

The Newhall School District is very concerned about the safety of our students, staff, parents, and community members. The following outlines the various steps the Newhall School District takes to ensure we have clean, safe, and well maintained schools.

Cleanliness

The Newhall School District provides custodial staffing so that every classroom at every school can be cleaned daily. We also clean all Preschools and Kindergarten bathrooms and offices on a daily basis. Our Director of Facilities, Maintenance, and Operations (FMO) routinely inspects our schools to ensure they are kept in a clean, safe and orderly condition. Our custodial staff has been directed to notify the school Principal or Office Manager of any safety hazard or maintenance issue that requires immediate attention. The Office Manager will submit a work order via our net-based work order program where the Director FMO reviews and distributes work orders to maintenance staff. Safety related work orders are labeled number one priority!

Weekly School Visits / Inspections

The Director FMO visits and inspects two schools every week

Security

We ask that all parents and visitors check in with the main office at each school. The district also utilizes a Visitor Management System (Raptor) to screen visitors. To assist staff in communicating on site, two-way radios are used by administrative staff, office staff, and safety supervisors. Each school provides playground supervision to ensure our students are properly supervised during recess and identify any safety or security concerns to the school administrative team.

Age of Schools

The Newhall School District includes 10 schools. Our newest school was constructed in 2005-2006. Eight schools are either less than 16 years old or have been “modernized” with local and State bond funds. “Modernization” may include utility infrastructure replacement, new carpeting, new lights, new windows and doors, new locks, new interior and/or exterior wall paneling, fire alarms, communications systems, internet infrastructure to all classrooms, storage, roof replacement, interior/exterior painting, library renovation, and bathroom renovation.

The district successfully passed Measure E, a \$60 million school construction and modernization bond, in 2011. Projects include the replacement of aging portable classrooms with permanent buildings, the renovation of Newhall Elementary School auditorium, upgrades to the district infrastructure including technology, energy management, communications and utility controls. A significant investment in classroom technology has been completed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Oak Hills views parents as partners who work with staff to help every student to succeed both academically and socially. School-wide parent/teacher conferences are held twice a year and we have strong parent attendance at these meetings. Back to School Night and Open House events are also well attended. PTA, Foundation, School Site Council, and ELAC Advisory Committee meetings are additional involvement options for parents. Oak Hills is fortunate to have a very dedicated and active PTA and Foundation. Both of these groups sponsor a variety of programs that benefit students and teachers in many ways. Highlights thus far have been our Movie Night, Fall Festival After School Science, Coding, and Math Olympiad teams. We will also be holding our annual STEM Expo.

Continuing during the 23-24 school year, all students will participate in the AR program to be implemented with fidelity, as a means of promoting independent reading both in and out of the classroom. Each trimester when students meet their individual goals with comprehension accuracy, they will be recognized with a certificate and special activity. We will also work to improve our attendance rate with the use of our Coyote attendance trophy (one for primary and one for upper) monthly attendance winners.

At Oak Hills, we continue to work hard and strive to meet the needs of all our students. We believe ALL children can learn and we embrace everyone's contributions to assist in this process. We are committed to supporting an on-going instructional program that encourages social awareness of the diversity within our community.

Fiscal Year 2022-23 Types of Services Funded

Oak Hills Elementary receives funding from LCFF (Local Control Funding Formula) base and targeted funding. The School Site Council (SSC) continues to focus funding from these programs directly on student success and school improvement. Goals have been instrumental in guiding the development of Oak Hills' School Plan for Student Achievement. The School Site Council (SSC) members and staff established goals that are based on needs and requirements of the school and our belief that all children can be successful.

LCFF (Local Control Funding Formula) base and supplemental grant funds were used for Instructional Materials, technology licenses and support, curriculum specialist, a part-time WIN teacher, and library books. Title III: Specific Resources/Intervention for our Title III students
